

***Overcoming Disparities:
Building Successful Obesity And Diabetes Programs
Hyatt Regency Crystal City
November 18-19, 2009***

Overall Goal of Partnership Forums

Explore collaborative methods of decreasing type 2 diabetes and obesity as it relates to diabetes, particularly in those at highest risk for these epidemics

Goals of 2009 Forum

- Highlight promising practices that address obesity and type 2 diabetes in high-risk populations
- Introduce key elements of coalition-building for addressing disparities in health care at the community level

Wednesday, November 18, 2009
