Throughout the year, the Association raises funds through donations and local fundraising events, such as the Tour de Cure and Step Out: Walk to Fight Diabetes. The generosity of donors allows the Association to offer every camper nationwide a significant reduction in Camp fees.

You can help support the American Diabetes Association's Camp program by donating to the Association or participating in one of our local fundraising events:

Refunds are only available for campers who cancel in writing at least 60 days prior to the first day of camp, or for campers who suffer illness or tragedy. The deposit will not be refunded. Complete refund information will be provided when you register for Camp.

## CARE AT CAMP

Our first priority is the physical and medical safety of your child while they enjoy a traditional camp experience. It is not perfecting blood sugar management. Our staff includes:

- Physicians, nurses, and other health care providers who provide round-the-clock medical supervision.
- Registered dietitians who plan meals and snacks, and manage all special dietary needs.
- Program staff trained to deliver fun, safe, and supervised recreational activities and sports.

- Counselors trained to recognize specific diabetes care needs and help kids adapt to the Camp environment.

The American Diabetes Association makes every attempt to accommodate medical and/or emotional needs of campers. However, if we cannot meet your child's needs, the American Diabetes Association reserves the right to deny admission to Camp and we will refund your deposit.

The true cost for a camper to attend is \$1000, but families pay only \$575 per camper. Need help paying for camp? Financial assistance is available, excluding non-refundable deposit.
