

Planet D at the Diabetes Expo is an interactive experience where youth and their families can explore diabetes, discover resources and connect with other youth living with diabetes.

Two parent workshops are being offered in Planet D:

10 a.m. to noon **Safe at School:** Securing care and access for all students with diabetes in the school setting. Participants will learn what resources and laws are available that address issues of adequate care and access in schools.

1 p.m. to 2:30 p.m. **To Parents with Love...**A panel of young adults who have grown up living with diabetes will share their perspective with parents who are currently raising a child with diabetes. Parents will have the opportunity to ask questions and gain insight.

Face Painting, Karaoke, Interactive Games, the Opportunity to Meet ADA Youth Ambassadors and Youth Leadership Council Members are all waiting for you at
